Frida

Simple sculptural beauty

DESIGN
Odo Fioravanti, 2008

EN — Frida, winner of the XXII Compasso d'Oro ADI "for its simple sculptural beauty", is a seating that combines beauty, innovative technologies and love for details. Its innovative character takes shape in the use of solid oak combined with three-dimensional plywood, to obtain a chair extraordinarily lightweight, equally ergonomic and resistant.

IT — Frida, vincitrice del XXII Compasso d'Oro ADI "per la semplice bellezza scultorea", è una seduta capace di coniugare bellezza, tecnologie d'avanguardia e amore per i dettagli. Il suo carattere innovativo si riconosce nell'utilizzo del massello di rovere abbinato al multistrato tridimensionale, per dare forma ad una sedia estremamente leggera, ergonomica e resistente.

Babila XL

Reloaded memory

DESIGN
Odo Fioravanti, 2020

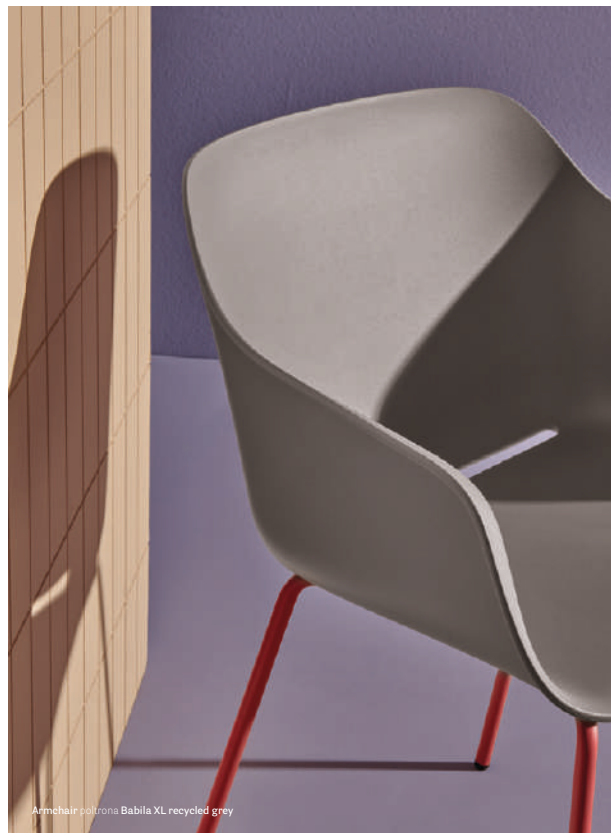

EN — The Babila XL armchair with a polypropylene shell stands out for the large dimension of its seat and armrests. The aim is to offer greater seating comfort, also through the padded lining recalling a woman's dress. Babila XL "recycled grey" version is one of the first products made from recycled polypropylene: 50% from post-consumer plastic waste and 50% industrial plastic waste.

IT — Babila XL è una poltrona con la scocca stampata in polipropilene che si connota per le dimensioni ampie della seduta e del bracciolo. L'obiettivo è quello di offrire un comfort generoso di seduta, grazie anche al rivestimento imbottito, quasi a ricordare un abito femminile. La versione Babila XL "recycled grey" rappresenta uno dei primi prodotti realizzati in polipropilene riciclato: 50% da scarto di materiale plastico post consumo e 50% da scarto di materiale plastico industriale.

Babila Twist

Reloaded memory

DESIGN
Odo Fioravanti, 2022

EN — Babila Twist is a steel armchair characterised by a large and welcoming shell woven with a flat cord in polypropylene. Babila Twist's distinguishing feature is the combination of a woven body and a tubular steel frame with slats for the seat. These are screwed, making them easy to disassemble. A comfortable cushion is covered in fabric for outdoor use.

IT — Babila Twist è una poltroncina in acciaio caratterizzata da una seduta ampia e accogliente, ricoperta da un intreccio realizzato con una corda piatta di polipropilene. Il tratto distintivo di Babila Twist è la combinazione tra una scocca intrecciata e il telaio in tubo d'acciaio provvisto di doghe per la seduta, uniti attraverso viti che consentono un agile disassemblaggio. Sulla seduta di Babila Twist appoggia un confortevole cuscino rivestito con un tessuto per esterno.

Noa

Rational elegance

DESIGN
Marc Sadler, 2011

EN — Noa collection combines the elegance of its proportions to the comfort of the seat, all thanks to the innovative construction technique. The seat is upholstered and contained in a polycarbonate shell with a glossy outer surface.

IT — La collezione di sedute Noa unisce l'eleganza delle proporzioni al comfort della seduta grazie ad un'innovativa tecnica costruttiva. La seduta imbottita è contenuta in una scocca in policarbonato la cui superficie esterna è lucida.

Laja

A matter of details

DESIGN
Alessandro Busana, 2011

EN — The stylistic simplicity defines Laja collection.
The seatings combine an upholstered shell to various
frames, the tables a die-cast aluminium four-star base to
tops of different sizes and finishes.

IT — La semplicità stilistica definisce la collezione Laja.
Le sedute abbinano in modo armonico una scocca imbottita
a molteplici telai, i tavoli una base in pressofusione d'alluminio
a ripiani in diverse dimensioni e finiture.

Koi-Booki

One character, a multipurpose chair

DESIGN

Claudio Dondoli - Marco Pucci, 2012

EN — Repetition of geometric elements forms a graphic pattern that defines the appearance and the character of a technical and functional seating. Koi-Booki combines a polypropylene shell with an aluminum frame, is stackable and can be equipped with a linking device to create seating rows.

IT — La ripetizione di elementi geometrici forma un pattern grafico che definisce l'aspetto ed il carattere di una seduta tecnica e funzionale. Koi-Booki abbina il polipropilene della scocca all'alluminio del telaio, è impilabile e può essere dotata di gancio di connessione per comporre file di sedute.
